2. To what extent do you think the community is aware of and understands: a. the Act and how it works b. what change or suppression practices are and c. the harm caused by change or suppression practices

I do not understand whether ordinary religious teaching, requested prayer, pastoral care, support for celibacy and even parental conversations are lawful. This uncertainty has created fear, confusion, and self-censorship in churches and families.

6. Is greater clarity needed about how people of faith can hold and express their beliefs to support clear understanding and compliance with the Act? What forms of clarification would be most helpful?

Yes, again I state that I do not understand whether ordinary religious teaching, requested prayer, pastoral care, support for celibacy and even parental conversations are lawful. This uncertainty has created fear, confusion, and self-censorship in churches and families.
