Subject: Legal Privilege in Integrated Practice Review

Hi,

Thank you for undertaking this important review.

In case it has not already been brought to your attention, I wanted to share with you a few relevant materials to support the Review:

1. The report that I wrote following my Churchill Fellowship in 2013. My topic was researching the practical and ethical barriers of integrating legal assistance into a health-care setting:
<https://www.churchilltrust.com.au/fellow/linda-gyorki-vic-2013/>.
2. Witness statement from the Royal Commission into Family Violence:
<http://rcfv.archive.royalcommission.vic.gov.au/MediaLibraries/RCFamilyViolence/Statements/WIT-0096-001-0001-Gyorki-18.pdf>
3. [An Australian hospital's training program and referral pathway within a multi-disciplinary health-justice partnership addressing family violence - Forsdike - 2018 - Australian and New Zealand Journal of Public Health - Wiley Online Library](#)

If helpful, I would be very pleased to discuss this with you further.

Best wishes,
Linda
